

The Ojibway Club
[REDACTED]

Township of the Archipelago,
9 James Street
Parry Sound, ON P2A 1T4

Dear Reeve Liverance and Councillors,

I am writing on behalf of The Ojibway Club concerning our municipal taxes and some recent invoices we have received.

In recent years, the Council of the Township of the Archipelago have agreed to forgive the annual taxes of the Club in recognition of its role and value to residents as a community centre. The Board and members of the Ojibway Club recognize the importance of this recognition and are grateful for having achieved it. We continue to work diligently to meet the expectations the Township has concerning our place in the community.

Recently we have been receiving tax adjustment invoices for the years 2021 to 2023, concerning our property, [REDACTED]. I am writing to ask that these tax adjustments also be forgiven in alignment with the previous decisions made to forgive our taxes for those years.

I thank you for your consideration in this matter,

R. Kaufmann
