Dear Steve Spearing:

This is further to your application requesting funding from the Northern Ontario Heritage Fund Corporation (NOHFC) under the Community Enhancement Program – Rural Enhancement stream toward the *Skerryvore Community Pavilion* project.

Your application has been carefully reviewed by the NOHFC and it has been determined that the project is ineligible. Initiatives funded under this program support incremental improvements, repairs, and/or renovations to improve and extend the useful life of capital assets including social and recreational facilities, municipal assets and community halls, that contribute to a healthy and vibrant community. Your proposed project activities on private land owned by the Skerryvore Ratepayers' Association is for the limited use of the Skerryvore Ratepayers' Association, therefore not meeting the community use requirement.

There may be other government programs available to support your organization or to provide further clarification on this NOHFC application. Please contact Melissa Gainer, Manager, Regional Economic Development Branch at 705-690-6075 or [Melissa.gainer@ontario.ca](mailto:Melissa.gainer@ontario.ca)

Sincerely,

Scott Kunnas
